Dear Marge,

All is going well here and my plans are moving along and finalizing. If it is possible I would like to have your home address so that I can begin shipping some books and papers out to you. I would much prefer to use U.P.S. and thereby can not use a P.O. Box. However if you would rather I will use U.S.P.S. and ship to P.O. Box A-0. As stated on the phone E.T.A. is Thursday 18 December 1980 11:28 AM via EA #205. D minus 70 and counting!!!!

George has asked me already if he could be first in mind for my apartment. He wishes to use the 3rd floor as his residence and the 1st floor as office, chapel, and drop-in center - coffee house et c.

See you soon
Yours in Christ
